

Thank You for Registering: **2026 Spring River Sweep:** **Riverside Apartments** **This Saturday, April 11**

Hello, FoRR Volunteers! We hope you are as excited about the Spring 2026 River Sweep as we are! Here is the information for your Spring River Sweep location this Saturday, April 11. Please review this information thoroughly.

Check-in begins at 8:30am!

Where to Park & Check-in Location

Check-in at Riverside Apartments (1121 Tsali Circle). We'll be set up in the northern corner of the parking lot, closest to the Hampton Avenue Extension bridge (this is a slightly different check-in spot from previous cleanups at Riverside). See map below for more details.

Parking is available in the rear parking lot of Riverside Apartments (do not park in the front or right by the check-in site) and across the street at the Mount Calvary Baptist Church parking lot on Old Bleachery Road.

This location will focus on cleaning the Reedy River behind Riverside Apartments (near Swamp Rabbit Cafe), and the Reedy River along the Swamp Rabbit Trail between West Blue Ridge Drive and E. Bramlett Street. Be ready to get in the water and please bring waders if you have them! There are restrooms available nearby at the Swamp Rabbit Cafe, but no restroom available at Riverside Apartments.

All participants, regardless of age, must have all necessary waivers filled and signed. Volunteers at this location will need to sign paper waivers for FoRR and the City of Greenville at check-in. Minors (under 18) must have their waivers signed by a legal guardian before they can join any FoRR event. Children under 12 must be accompanied by a legal guardian at all times.

What to Do

Follow your site leader's instructions at all times. Check-in is from 8:30 - 9 AM. We will collect litter from 9 - 11 AM. From 11 - 11:30 AM, we will ensure all litter is placed at the designated collection locations and that all equipment is returned to the check-in site. The cleanup will conclude at 11:30 AM.

What to Wear

Lightweight clothes. Long pants & long-sleeved shirts are recommended. Closed-toed shoes are required (old jogging shoes, closed-toed sandals, hip/chest waders, etc.). **NO open-toed shoes.** Clothes & footwear that you don't mind getting wet and dirty. Please bring waders if you have them.

What to Bring

Bring a refillable water bottle and anything you need to be comfortable outdoors for up to three hours. Suggested items include a hat, sunscreen, insect repellent, and a set of dry clothes or towel for after. We will provide litter grabbers, collection bags, gloves, and drinking water.

Afterwards

Celebrate your hard work at our **2026 Spring River Sweep Afterparty** at [Southernside Brewing Co.](#)! A portion of food and drink sales will support FoRR. No

ticket needed. Please note that the paved parking lot at 25 Delano Drive is now a pay-to-park lot, but the gravel lot is still free to park. We hope to see you there!

Weather Notice

Our team is closely monitoring the weather forecast for Saturday's event. In the event of inclement weather or unsafe river conditions, we will contact you via email on Friday before 8 PM and will reschedule to our rain date of the following Saturday. We will not send additional communications otherwise.

If you do not receive a cancellation email, the event is still on!

Thank you so much for volunteering! Please reply to this email with questions regarding this weekend's event. We look forward to seeing you soon!

Special thanks to our **Presenting Sponsors:**

Dapper Ink and Bon Secours St. Francis Health System

Thanks also to **SPINX** and **Southernside Brewing Co.** (afterparty celebration with profit-share) for helping us maintain our community's treasure of the Reedy River.

In addition to serving as a presenting sponsor, **Dapper Ink** has produced and provided our River Sweep event t-shirts. 100% of proceeds go to FoRR.
